Salvado Catholic College is a growing coeducational Catholic College in Byford that commenced in 2016.

The College patron, Dom Rosendo Salvado was an inspirational missionary, educator, Bishop and pioneer colonist who founded the community of New Norcia. The motto "Peace, Justice, Compassion" directly reflects Salvado's life work and what we all aspire to in our Catholic College community.

In 2021 we have over 500 students from Pre-Kindergarten to Year 7. The College will continue to grow to reach its ultimate capacity as a K-12 College with the first intake of Year 7 students this year.

The Salvado Catholic College community enjoys a strong relationship with the St Francis Xavier Armadale Parish and promotes engagement with families within the Salvado Catholic College community to further enhance a positive home/school partnership.

The innovatively designed buildings complement our focus on collaborative and flexible learning spaces which support best practice and contemporary teaching and learning approaches. We look forward to expanding our College facilities to continue to provide high quality and engaging teaching and learning opportunities for all our students.

***This is an exciting opportunity for an outstanding and enthusiastic secondary educator to join our teaching staff with our first cohort of Year 7. The College is looking for a dynamic educator who has the capacity to teach Design Technology (Wood) for the first time at the College in our new Design Space for Wood.***
