

RATIONALE

Catholic schools can serve as models for all within Western Australia who seek to create genuine communities. Such communities are always founded upon shared commitment to the common good (Mandate, para. 6).

Pursuant to the Occupational Safety and Health Act (WA) 1984 (The OSH Act) and in accordance with the Mandate for Catholic Education, the Catholic Education Commission of Western Australia (CECWA) is committed to ensuring the safety and health of all people whilst on College premises.

Therefore, all Catholic schools shall endeavour to:

- ensure the safety, health and welfare of all employees and non-employees on school premises
- develop, promote, and maintain safe and healthy school premises that seek to minimise the risk of injury or illness for employees and non-employees
- create a culture of safety that encourages the development, maintenance and promotion of healthy school premises, and
- ensure that adequate financial, physical and human resources are available to support the management of occupational safety and health on school premises.

DEFINITIONS

An **employer** is a person who engages employees, and includes an accountable officer, such as a Principal or such other figure of authority delegated with the duty of employing and/or directing employees and non-employees whilst on College premises. For the purpose of this policy statement the term employer refers to the Principal.

An **employee** is any person working under a contract of employment, apprenticeship or traineeship scheme. For the purposes of this policy statement, the term employee shall also include contractors engaged by the Principal to carry out work associated with the business of the College.

Non-employee refers to any person legally on College premises who may be affected by the work activity, and shall include students, parents, guardians, caregivers, community members and volunteers.

Catholic school refers to an educational venue as defined by the Teacher Registration Act 2012 that is part of the Catholic Education system in Western Australia. This includes schools as well as early learning and care services.

School premises include the College campus and places away from the College campus such as a campsite or where excursions may take place from time to time.

A **Provisional Improvement Notice (PIN)** is a notice issued by a Safety and Health Representative to the employer requiring them to address an occupational safety and health concern in the workplace.

PRINCIPLES

1. According to the provisions of the OSH Act all Catholic schools in Western Australia have a legal responsibility to put in place procedures and processes to develop, promote and maintain a safe and healthy school premises for all employees and non-employees.
2. All those who serve the Church through Catholic Education in Western Australia are called to be accountable and accept responsibility for any action or initiative at a personal and professional level.
3. As the authority to employ is delegated to the Principal by the Bishop of each Diocese or the Congregational Leader or Governing Authority, the Principal as the employer shall, so far as is reasonably practicable, provide and maintain school premises where employees and non-employees are not exposed to hazards.
4. When engaged in activities on school premises, employees and non-employees are required to take reasonable care for their own health and safety. Further, they have a responsibility to avoid situations and practices (including acts or omissions) that may adversely affect the health and safety of others.
5. Occupational Safety and Health (OSH) Representatives must be elected to their position in accordance with the OSH Act.
6. To meet the consultative requirement of the OSH Act, the cycle of continuous improvement inherent in the Australian and New Zealand Standards for Occupational Health and Safety Management Systems: Specification with Guidance for Use [AS/NZS 4801:2001] and in the interests of building a culture of safety, all schools may establish and effectively operate a whole-of-school OSH Committee.

PROCEDURES

1. Salvado Catholic College shall communicate to employees this OSH Policy, consistent with the CECWA policy statement *Occupational Safety and Health*, and the proforma policy developed by Catholic Education Western Australia.
2. In developing a school-based OSH policy, the Principal should undertake appropriate hazard identification and risk assessment.
3. General duties the Principal shall include:
 - safe systems of work
 - hazard identification and risk assessment
 - induction, information, instruction, training and supervision
 - consultation and co-operation
 - provision of personal protection
 - safe plant and substances
 - reporting of fatalities, injuries and disease.
4. General duties of employees shall include:
 - follow the Principal's safety and health instructions
 - utilise personal protective clothing and equipment where appropriate (i.e. as intended or directed)
 - take care of and appropriately maintain equipment
 - report suspected or actual hazards to the school-based OSH Representative and/or Principal
 - immediately report work-related injuries or near miss or concerning incidents to the Principal and school-based OSH Representative, and complete requisite paperwork
 - cooperate with the Principal, members of the College management team, the school-based OSH Representative and whole-of-school OSH Committee members (where applicable) to enable the Principal to execute their obligation under the OSH Act.

5. With the exception of a contractor, the Principal may request the election of a school-based OSH Representative. All employees are eligible to be elected. A person who is elected as an OSH Representative is elected for a period up to 2 years and is eligible to be re-elected.
6. The OSH Representative is entitled to paid time off to attend the compulsory Catholic Education Office training course.
7. The Principal may work collaboratively with the school-based OSH Representative(s) to form a whole-of-school OSH Committee. Membership of this committee will depend upon many factors including staff size and student numbers.

At a minimum, the committee shall consist of:

 - the Principal or a delegated representative (e.g. an Assistant or Deputy Principal)
 - the school-based OSH Representative(s), and a member(s) of staff.
8. In accordance with the OSH Act, WorkSafe Guidance Note: General Duty of Care in Western Australian Workplaces, the AS/NZS ISO 31000:2009 Risk Management - Principles and Guidelines and AS/NZ Standards 4801:2001, Occupational Health & Safety Management Systems, school-based OSH Representatives have the following functions:
 - carry out regular workplace inspections
 - immediately carry out an appropriate investigation of any accident or any near miss to any person engaged in work or study or any approved activity at the school premises
 - keep abreast of health and safety information provided by the Principal and relevant external bodies (e.g. WorkSafe)
 - liaise as necessary with WorkSafe, the Department of and other relevant Government or private bodies
 - consult and cooperate with the Principal on all matters relating to workplace health and safety
 - liaise with employees regarding work-based safety and health issues
 - promote a culture of safety on school premises, by working collaboratively with the Principal, employees and non-employees
 - immediately report to the Principal any potential or actual hazard that poses a danger to the safety and health of employees and/or non-employees

issue PINs where they believe there to be the existence of a breach of the OSH Act or Regulations. Before issuing a PIN, the school-based OSH Representative shall liaise with the Principal to discuss the issue. These discussions shall include risk assessment of the hazard(s) and control measure options. The Principal shall take appropriate corrective action upon receipt of a PIN.
9. Penalties are applicable for breaches of the OSH Act. Penalties may be applied to the Principal, and employees.
10. The Principal is required to notify WorkSafe under the following circumstances:
 - Any workplace related death or serious life-threatening injuries or diseases must be reported to WorkSafe immediately using the 24 hour incident/accident reporting line Tel: 1800 678 198.
 - Certain types of injuries and diseases are to be reported to WorkSafe using the appropriate notification form available on the Staff eSpace or at <http://www.commerce.wa.gov.au/worksafe/how-report-injury-and-disease>. This includes any injury which, in the opinion of a Medical Practitioner, is likely to prevent the employee from being able to work within 10 days of the day on which the injury occurred.

The Principal shall consult with the Employment and Community Relations Team prior to making any notification to WorkSafe.
11. If an event occurs on College premises, which constitutes a critical incident, as defined in the Non-Government Schools Registration Standards², the procedures outlined in CECWA policy statement *Crisis Management Planning in Catholic Schools* should be adhered to.
